Alumni Cell Report

The Alumni Cell has been established in our institute since 2018–2019. Students who have passed out of our college can fill out a registration form for membership in the Alumni Cell. The registration form for membership in the Alumni Cell is available on the college website. At least one meeting of the Alumni Cell is held within each academic year. The members of the Alumni Cell are ready to give their valuable suggestions and support for the development of the college. Senior alumni are regularly invited to take valuable part in various functions, i.e., annual functions and national festivals. Due to their participation and visits, registered students can interact with them for experience sharing and get valuable information and suggestions for placement opportunities. The feedback obtained from them is also analysed by IQAC members and the college alumni committee so that the principal can take the necessary action to implement these suggestions and enhance the performance of the college. With the active cooperation of the Alumni Council in the college, the students get guidance in the right direction.
